

**ServiceLine24h:  
always on call.**

*“With subsidiaries in 31 countries operating 1,200 trucks, 24h truck tyre roadside assistance is essential to keep our fleet on the move. Goodyear’s ServiceLine24h provides this service for us and their multi-lingual control centre and active incident management system enables efficient solutions and effective support, whatever the situation. Reduced downtime means greater profits.”*

**Ueli Bruder, Head of Technical Department, Bertschi**
