

**TruckForce: dedicated support, 365 days a year.**

*“Our vehicles carry a wide range of products, including dangerous and temperature controlled goods, and delivery is often time-sensitive so reliable tyre maintenance is essential. With over 2,000 fully equipped workshops across Europe, TruckForce are always close at hand and their team of highly skilled technicians ensure our tyres are maintained to the highest possible standard. This is essential for our fleet.”*

**Johan Witteveen, Manager Procurement, HOYER Group**
